Visit tafe.wa.edu.au for the latest course information

There are 22 qualifications from which to choose in building and construction at TAFEWA. The qualifications are at different levels, each requiring a different level of skills and knowledge. These pages contain a summary of qualifications in this area.

Under 'Further study option(s)' on the following pages is listed the next qualification in the progression of certificates and/or diplomas available for that area of study. To move between the same or related or unrelated qualifications, see page 6 under 'TAFEWA qualification pathways' or telephone the Career Development Centre on 1800 999 167 for details.

Please note:
Please check entrance requirements for more details.

If you require further information, telephone your local TAFEWA college or the Career Development Centre on 1800 999 167.
